

Beacons to the Future

JIES School Vision

- Our children become “Beacons to the Future”
- Our children become responsible, lifelong learners in a safe and nurturing environment
- Our school participates in building and maintaining community and home/partnerships
- Our children achieve academically, socially, and physically to their highest potential
- We honor and respect diversity

James Island Elementary is proud to be a STEAM school. Recognized worldwide as an innovative problem-solving approach to education, students learn and apply their knowledge through interactive, hands-on projects, using Science, Technology, Engineering, Arts, and Mathematics. We have a designated science lab and certified science lab teacher who engages students in laboratory experiments and hands-on activities.
