Curriculum:

Drayton Hall Elementary School is helping students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by ensuring that all staff members are committed to excellence. This is achieved through the reinforcement of a rigorous curriculum, setting high expectations for all students, and utilizing a nationally recognized one-to-one learning environment integrating iPads into daily instruction. The utilization of South Carolina College and Career Readiness Standards, in conjunction with differentiated instruction, ensures that all students receive a detailed, individualized education that meets their learning needs. We utilize the Second Steps program school-wide to assist our students with developing effective social-emotional skills inside and outside of school.
