School Activities & Involvement

Technology

All classrooms are equipped with or have access to the following:

- iPads (1:1 instruction)
- MacBook Air
- Promethean Boards
- Wireless Access

Curriculum:

Drayton Hall Elementary School is helping students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by ensuring that all staff members are committed to excellence. This is achieved through the reinforcement of a rigorous curriculum, setting high expectations for all students, and utilizing a nationally recognized one-to-one learning environment integrating iPads into daily instruction. The utilization of South Carolina College and Career Readiness Standards, in conjunction with differentiated instruction, ensures that all students receive a detailed, individualized education that meets their learning needs. We utilize the Second Steps program school-wide to assist our students with developing effective social-emotional skills inside and outside of school. We utilize the Bridges Math Curriculum.

SC PASS: Spr. 2021
% of students met/exceeding

| | Science |
|-----|---------|
| 4th | 69.8% |

Teacher of the Year

Angelique Kochera

Ms. Kochera has been an invaluable member of the DHES staff for 6 years. Her positivity and excitement are evident as she integrates thematic units in all areas of her students learning in her Child Development class. She serves on multiple school committees, is her grade level rep, and maintains the school website! We love you Ms. Kochera!
