- Wireless Access

Teacher of the Year

Necie Wald

Ms. Wald has been an invaluable member of the DHES staff for 3 years. Her positivity and excitement are evident as she works with the students in the classroom AND directs each grade level’s annual performance. She is her grade level rep, We love you Ms. Wald!

Curriculum:

Drayton Hall Elementary School is helping students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by ensuring that all staff members are committed to excellence. This is achieved through the reinforcement of a rigorous curriculum, setting high expectations for all students, and utilizing a nationally recognized one-to-one learning environment integrating iPads into daily instruction. The utilization of South Carolina College and Career Readiness Standards, in conjunction with differentiated instruction, ensures that all students receive a detailed, individualized education that meets their learning needs. We utilize the Second Steps program school-wide to assist our students with developing effective social-emotional skills inside and outside of school. We utilize the Bridges Math Curriculum.

Community Involvement:

- Reading Night
- Birthday Books
- Grade Level Music Presentations
- Spirit Days
- Backpack Buddie
- Math Night
- Field Days
