What is iReady?

i-Ready is a diagnostic assessment for reading and mathematics that assists our teachers determine student's needs, personalize their learning, and monitor progress throughout the school year.

Summary of Data

Our data highlights the hard work of our staff and students. Our students continue to meet both growth and achievement expectations. Our team uses data to drive instruction to meet the needs of all students.

What do our teachers and parents love about Laurel Hill?

"Laurel Hill Primary is an exemplary school where students, teachers, and families work together to foster a lifelong love of learning. Excellence, creativity, STEM, the arts, and high engagement are nurtured through exploration and positive learning environments. Our dedicated staff works each day to build meaningful relationships, spark curiosity, and create lasting memories for our students and community. We are committed to ongoing professional development, empowering teachers to provide both enrichment and support tailored to every child's needs. As a Kindergarten teacher, I truly love my job, our students, staff, and the incredible families we serve. Laurel Hill Primary is proud to be a NAEYC (National Association for the Education of Young Children) accredited school, where students remain at the heart of everything we do. I am honored to teach at such an exceptional school where excellence is our standard."

Angela Good- 2025 Teacher of the Year

"I absolutely love Laurel Hill Primary School! It's like one big family where everyone feels welcomed and valued. The dedicated teachers work tirelessly to ensure students excel academically, while creative learning methods keep the children engaged and excited. Parent involvement is highly encouraged, making it a true community effort to support our kids' education and growth."

Kristin Scott- PTA President

Progress on SIC Annual Goals

During the 2024-2025 school year, the LHP SIC has supported our school's child-centered goals and ensured that we keep our identity as a primary school as our guiding principle.

Our SIC continues to support our school's goal of high academic achievement for all students while ensuring we can care for the whole child. This year, our annual PTA fundraiser raised over \$64,000, which has been used to add turf outdoor play space, STEM materials, and sensory paths to our campus. This year's focus has been to increase play based learning in all our classrooms. We have accomplished this through grade-level grants for sensory items, additional STEM materials, and play based manipulatives. Our mission will continue to create a warm, welcoming, inclusive environment for students and families.
