

SCHOOL'S MESSAGE 2017-18

Upon entering our building, one can immediately sense the child-centered atmosphere that has made Laurel Hill Primary School (LHPS) an award-winning school. At LHPS we are committed to the success of each child. Our students continue to grow in all areas: academically, socially, physically and artistically where we are determined to provide a child-centered and developmentally appropriate learning environment in each of our classrooms. We are proud to consistently be the highest rated Primary School in the state.

One area of professional development focus this year relates to classroom community and developing positive classroom culture. Our teachers have implemented PBIS positive behavioral practices and we have seen excellent results. LHPS is also happy to announce that we have completed our accreditation through the National Association for the Education of Young Children (NAEYC). This prestigious status has been described as the gold standard by which early childhood programs are evaluated.

Various annual events were once again held for our school community including Family Fun (Reading & Math) Night, Arts Night, and our Turtle Trot. LHPS is proud of our current success, and we are committed to continued improvement in all aspects of educating our children. We appreciate the support from our School Improvement Council (SIC), PTA, Park West Campus Education Fund, parents and the Mt. Pleasant community, whose partnerships involve volunteering, fundraising and organizing various events. The primary goal at Laurel Hill Primary School is to challenge every one of our students to meet his or her greatest potential. We focus daily on helping our children cultivate a love of learning that will last a lifetime.

STUDENT ACHIEVEMENT

Measures of Academic Progress (MAP)

MAP assessments measure our students' general knowledge in reading and math. These tests provide information as to the specific strengths and weaknesses of our students. They also provide us with the instructional level of each child. The information below represents the 2nd grade MAP scores from the winter 2018 test administration.

MAP Summary:

The vast majority of our 2nd grade students
76% in Reading and 77% in Math
scored above the national average.

Winter 2018 MAP Data

x axis = national percentiles y axis = # of students
50 = National average

Superintendent, **Dr. Gerrita Postlewait**

Principal, **Mrs. Ashley Dorsey**
Assistant Principal, **Ms. Kathleen Farwell**
