House Model

During the 2023-2024 school year, Bevedere continued implementing a house model where students and staff have been assigned to 4 hours. The goal is to give students and staff a stronger sense of belonging and the opportunity to connect with more people. It has been a great success, so far!

Mandarin Immersion

Bevedere has students from kindergarten through fourth grade participating in Mandarin Immersion where they receive the math instruction in Mandarin. This program will expand to 4th grade next year!
