Renaissance A Journey to Academic Excellence

GHS Renaissance Program

Meaning “rebirth”, the Renaissance Program is a national program conducted at a school level to help schools experience a “rebirth” in academic achievement. The vision is a “renaissance” in education, resulting in a nation of motivated, resourceful, self-reliant young people. The program continuously recognizes and rewards students and teachers who exemplify the behaviors and attitudes which are desired in the areas of academics, attendance, continuous learning, cooperation, human relations, civic responsibility, personal responsibility, and school pride.
