6 Basketball State Championships
1st Time Region Champions in Boys Soccer
Other State Championships include Softball, Baseball, and Golf.

Artificial turf was installed at “The Reservation” during the summer of 2016. The turf allows for multiple sporting, district, and public events to continuously

occur without the worry of damage to a natural surface. The track was resurfaced and saw the addition of a new facility that includes restrooms, dressing area, concessions, and storage. Steps and a handi-cap ramp were installed for better access to the track. Both of these facilities are shared with the Limestone College Saints.

Student Activities

Renaissance A Journey to Academic Excellence

GHS Renaissance Program

Meaning “rebirth,” the Renaissance Program is a national program conducted at a school level to help schools experience a “rebirth” in academic achievement. The vision is a “renaissance” in education, resulting in a nation of motivated, resourceful, self-reliant young people. The program continuously recognizes and rewards students and teachers who exemplify the behaviors and attitudes which are desired in the areas of academics, attendance, continuous learning, cooperation, human relations, civic responsibility, personal responsibility, and school pride.

Report to Parents

Parent, Teacher, Student Organization
(PTSO)

School Improvement Council (SIC)

Meetings for PTSO and SIC are the
3rd Tuesday of every month.

Interested parties contact Dr. Fitzpatrick:
raashad.fitzpatrick@cherokee1.org
