## Mission Statement

The mission of Granard Middle School, in partnership with our students, families, and community, is to empower excellence in academics, art, and athletics in a safe, supportive environment where students develop the skills to become productive citizens in an ever changing society.

Parents and community members play an important role in carrying out this mission statement. It is our intent to provide an atmosphere that allows visitors to have a pleasant experience while on our campus. Information about Granard may be obtained by visiting our school, browsing the school website, or by placing a telephone call to our office staff.

### At Granard.....

- ❖ We love every one of our children.
- ❖ Children are our top priority.
- ❖ A safe environment is paramount.
- ❖ Education is the key to success.
- ❖ Parent and community involvement are essential for student success.
- ❖ Our school plays an important role in promoting community involvement by our student and staff. Excellent teachers are essential for student success.
- ❖ All individuals can learn.
- ❖ We play an important role in assisting middle school students in developing the skills needed for success beyond Granard.
- ❖ Our school plays an important role, preparing students for college, career, and/or military.

School Mascot: The Warrior  
School Colors: Red, Black and White  
Student Enrollment: 543  
Number of Staff: 69

Dear Parents,

This has been another successful year at Granard Middle School. Our teachers and staff worked diligently to provide a nurturing and academically challenging environment. Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the SC Graduate by providing two foreign language electives. Granard Middle school also provides career studies. These components encourage students to develop their skills and abilities to the maximum and rise as far as their talents will take them. Granard continues to receive a Project Unify Grant which is an education based project that uses sports and education programs to foster respect, dignity and advocacy for people with intellectual disabilities. Academically, Granard continues to lead CCSD in test scores, Duke Tip Scholar, and Junior Scholars. Our students participated in Regional Band, as well as having successful seasons in football, volleyball, and basketball. This was a tremendous success. We continued to stress technology in the classroom by implementing the 1:1 laptop initiative and providing each student with a Canvas account. Additionally, our staff participated in a variety of meaningful professional development opportunities in order to improve classroom performance. Granard Middle School is in the sixth year of Positive Behavioral Intervention and Supports (PBIS). We continue to be committed to providing a quality education experience for every student.

Mr. Gavin Fisher, Principal

Amy Crotzer, SIC Chair
