Mission Statement

Our mission at Granard Middle School, in partnership with our families and community, is to provide a safe supportive environment so that all learners become educated, productive citizens.

Parents and community members play an important role in carrying out this mission statement. It is our intent to provide an atmosphere that allows visitors to have a pleasant experience while on our campus. Information about Granard may be obtained by visiting our school, browsing the school website, or by placing a telephone call to our office staff.

We believe.....

- ◆ Children are our first priority.
- ◆ Quality education is essential for the survival of our society.
- ◆ Every individual has intrinsic worth.
- ◆ Parent and community involvement are essential for student success.
- ◆ Excellence is achievable.
- ◆ Learning is a lifelong process.
- ◆ A safe environment is a basic human need.
- ◆ All individuals can learn.

Who Are We?

School Mascot: The Warrior

School Colors: Red, Black, and White

Student Enrollment: 591

Number of Staff: 64 (42 certified)

Dear Parents,

This has been a very successful year at Granard Middle School. Our teachers and staff worked diligently to provide a nurturing and academically challenging environment. We had 21 Junior Scholars this year which is up from 17 last year. Our Seventh Grade Quiz Bowl Team won first place in the Old English Consortium Competition; a first for Cherokee County! Our school received a Project Unify Grant which is an education-based project that uses sports and education programs to foster respect, dignity and advocacy for people with intellectual disabilities. Granard Middle is very proud to have our Lego Robotics Team qualify for the state competition. Our students participated in Regional Band, as well as having successful seasons in football, volleyball, and basketball. Our School Report Card score was an "A" and Granard Middle School received the Palmetto Silver Award from the South Carolina Department of Education for test score improvement! Students and staff participated in Writing Across the Curriculum. This was a tremendous success. We continued to stress technology implementation in the classrooms and held school-based training sessions. Additionally, our staff participated in a variety of meaningful professional development opportunities in order to improve classroom performance. Granard Middle is in the second year of Positive Behavioral Intervention and Supports (PBIS). We continue to be committed to providing a quality educational experience for every student.

Dr. Mark Bunch, Principal
Joyce Logan, SIC Chair
