

Blacksburg Middle School has completed another successful school year. Seven eighth grade students were recognized as Junior Scholars. Forty-six students took the end-of-course test in Algebra; fifteen students scored 100 and all students passed. Students took MAPS one time this school year and many showed significant progress. We continued to use test data to monitor student achievement.

Our school offered the Community in Schools Program for student to receive additional instruction in curricular areas and character education.

Courtney Ross was named Teacher of the Year, and Pam Clark received the Distinguished Teacher of Reading award. Wildcat PAC continues to encourage good student behavior, grades and attendance by giving financial support for end of school field trips for all grade levels. Wildcat PAC also offered incentives for perfect attendance for each nine week period. We appreciate the efforts and contributions of our supportive Wildcat PAC.

Blacksburg Middle School is Setting the Standard. We are working diligently to follow the 5R's: Respect, Responsible, Relationships, Ready, and Reliable.
