- Honor's Choir
- Lunch Buddies
- Robotics Team
- Santa Shop
- Science Fair
- Service Projects
- Student Council
- Student Recognition each Nine Weeks
- Talent Show
- Veteran's Day Celebration

Report of Principal and School Improvement Council

A major component of CES is a positive climate assuring a productive learning environment. Our teachers foster high expectations for behavior and performance. Teachers collaborate and develop strategies to motivate students to ensure they are actively engaged in the learning process.

Corinth Elementary School (CES) is extremely proud of the many achievements that have been accomplished. Our robotics team was a district winner and competed in the state competition in Easley, SC. We were honored to have a district First Place MLK Essay Contest winner. Students are recognized at the end of each quarter in a ceremony that parents and community attend.

Students at CES are involved in Community Projects throughout the year: Relay for Life, canned goods for Salvation Army, Jump Rope for Heart, March of Dimes, and Pan Can Research. Through

student participation in these projects students learn to give back to the community and care for others.

Positive parental communication is also a driving force behind our success. Effective partnerships are established throughout the school year. Phone calls are made emphasizing the positive qualities of each student. Weekly newsletters, parental conferences, personal phone calls, and pre-recorded phone calls are used to maintain the bond between the home and our school.
