Strategies for Improvement

Continue to increase the use of educational technology in all content areas:

- Increased educational software (Reading Eggs, IXL, Pebble Go, True Flix, Freedom Flix)
- Teacher training focused on effective and engaging use of technology within the classroom.

Focus on guided reading instruction to improve basic reading skills and comprehension:

- Additional teacher training focused on guided reading instruction and intervention strategies.
- Additional reading materials provided in classrooms and in the school literacy center to increase student access to appropriate text and provide appropriate resources for teachers.

Focus on student data analysis to improve instruction:

- Next Step Guided Reading Assessment
- Benchmark assessments
- State required assessments
- STAR Literacy and Math Assessments

Focus on understanding SC College & Career Ready standards.

Focus on inquiry-based instruction, research, and integration of literacy and technology skills.
