Mission Statement

The mission statement of Limestone Central Elementary School, in partnership with students, staff, family, business and community is to provide an effective educational program in a safe environment, which prepares each student to be successful at his/her next academic level.

Review of 2019-2020 Strategic Plan Goals

- ☑ Successfully implement SC College and Career Ready standards.
- ☑ Consistently provide effective lessons for all students.
- ☑ Increase rigor for all students.
- ☑ Analyze data from MAP tests, STAR Reader, Accelerated Reader, Benchmark Tests, Next Steps Guided Reading Assessments, SC READY and SC PASS to improve instruction and achievement.
- ☑ Student goals will be developed and growth will be emphasized throughout the year.
- ☑ Guided reading in a small group setting will be used to provide daily, intensive, direct reading instruction with use of data notebooks.
- ☑ Provide a safe, nurturing, rewarding, risk-free learning and work environment for all students and staff.
- ☑ Utilize Wednesday faculty meetings for professional development to provide assistance to teachers in the area of small group instruction in ELA, mathematics, writing, and technology.
- ☑ Utilize PD teams and the Literacy Coach to deliver targeted instruction for our teachers.
- ☑ Analyze writing benchmarks and provide instruction across all curricular areas to strengthen student writing.
- ☑ Student achievement will be improved by differentiating and integrating instruction in reading, writing, math, science, and social studies.

Report of Principal and School Improvement Council

Our motto for the 2019-2020 school year was "Going for the Gold." We are also trying to build stronger community by teaching students to "Choose reach for their dream." Students, parents and staff realize the importance of building a strong foundation. In order to do this, we all work together to meet the needs of all students.

The South Carolina Curriculum Standards are the basis for instruction and assessment at Limestone-Central Elementary School. To strengthen the reading and writing foundation for students in grades K-5, we have had a deep focus on use of Small Group instruction based around the Jan Richardson text, Next Steps Forward in Guided Reading. We also have focused on implementation of small group instruction in mathematics for students in grades K-5, while using Saxon math. This has helped strengthen the academic foundation for students as well.

We also have a strong focus on the Profile of the SC Graduate and Character education as important building blocks in the foundation of our students. We teach and recognize a trait each month, and students participate in character celebrations at the end of each quarter. Mrs. Lindsey Gragg was our Distinguished Teacher of Reading and Mrs. Natlie Cannon was named Teacher of the Year for Limestone-Central. Ms. Emilee Hardin was our Rookie Teacher of the Year. Also this year, Mrs. Cathy Martin earned the Support Staff of the Year. We are proud of the hard work and dedication of these and all of our teachers and staff.

We are also proud of our partnership with parents and family members through the PTO. They have provided funding for classroom instructional needs, field trips, behavior incentives, and numerous additional items requested by teachers and students. This partnership is another brick in the strong foundation for our students at Limestone-Central.
