SCHOOL IMPROVEMENT PLAN GOALS

The School Improvement Council hosted two volunteer workdays this year. We have plans to partner with Newspring Church to continue promoting efforts to improve our building and grounds. Our school supply closet was organized so that additional classroom materials were made accessible and available to our faculty. We sponsored a clothes closet which is used daily to meet the needs of our students. In the future, we will assist the district in preparing the mobiles to be removed from school grounds. We will facilitate occupancy of new Gym by assisting in the move as well.
