## J.D. Lever Elementary

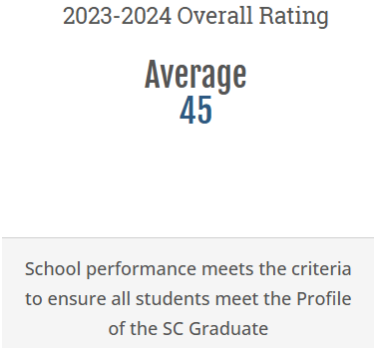

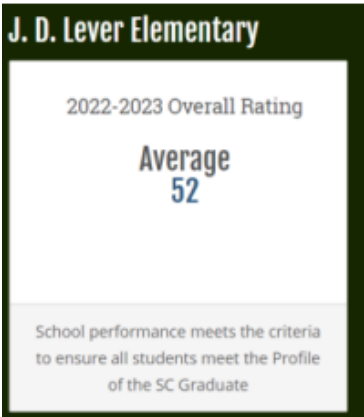

## SIC Annual Goals

This school year our school focused on the courtyard and the transformation from a non-used space to a space that students would be able to use for not only academic purposes but for fun activities as well.

We still have the opportunity to build this project and will continue into next year to complete this process.

## Student Achievement

## Additional Information

We would love to have you volunteer at our school. Please contact the school if you would like to become a volunteer or if you would like to help in any capacity.

We are so proud of our students and what they are accomplishing and would love to share that with you!
