our Community**

1936

J. D. Lever Elementary was named for long-serving principal, Jesse Daniel Lever. The school opened in 1936 as Center Elementary School. Mr. Lever became the principal of the school in 1942 and served in this position until his retirement in 1975. Upon his retirement, the school was re-named in his honor. Mr. Lever's passion for educating children left a long-lasting impact on this community. Generations of families have attended our school, and take great pride in sharing their experiences from past years.

Welcome to J.D. Lever Elementary School. We want you to be a part of our family. Our purpose is to build the foundation for our students to reach their full potential and succeed as life-long learners. Our faculty and staff seek to build and strengthen relationships with each other, students, families, and the community to support the academic, social, and physical development of each child in a safe and nurturing environment.
