SIC GOALS

- **Improve lighting at the entrance to school building and on front walkway**
- **Update and improve technology resources; add a large, retractable screen with projector in cafeteria and install additional speakers to sound system**
- **Improve school to home communications through website, social media, and Blackboard Connect**
- **Implement daily School News Program broadcast**

Welcome to J.D. Lever Elementary School. We want you to be a part of our family. Our purpose is to build the foundation for our students to reach their full potential and succeed as life-long learners. Our faculty and staff seek to build and strengthen relationships with each other, students, families, and the community to support the academic, social, and physical development of each child in a safe and nurturing environment.
