## School History

Blacksburg Primary School is the second school to bear that name. Our history can be traced to the late 1800's as The Blacksburg Graded School. That school was demolished and Blacksburg Grammar School was built in the same spot in 1940. That school was replaced by the first Blacksburg Primary on Hardin Street in 1987. In 2004 the second Blacksburg Primary was opened at the current location on East Cherokee Street.

## Mission Statement

“Blacksburg Primary School where learning is our number one goal.”

## Our Vision

The vision of Blacksburg Primary School is to meet the needs of all students. We provide age appropriate experiences that will help students become successful. As we strive toward excellence in academics, we provide many opportunities that foster learning. As required by law, I must inform you that all of our teachers are *highly qualified*.

## Our Beliefs

\*Meeting our students’ needs and providing many and varied opportunities to learn are the chief priorities of our school.

\*Each student is a valued individual with unique physical, social, emotional and intellectual needs.

\*Students learn best when they are authentically engaged in the learning process.

\*Curriculum, instructional practices, and assessment involve a variety of learning experiences to accommodate individual differences.

\*A safe nurturing environment promotes student learning and confidence.

\*Student self-esteem is enhanced by positive relationships and mutual respect among and between members of the student community.

## Evaluation of School Renewal Plan Goals for 2011-2012

### Review of 2011—2012 Strategic Plan Goals

Use Wednesday staff meetings for staff development to provide assistance to teachers in the areas of language arts, math, social studies, science and technology.

Dominie assessment in reading and writing will continue for all students.

All teachers will continue to use Writing Workshop.

All teachers will be trained in using leveled text, anchor books, read aloud books and participate in PLC to learn new strategies.
