Meet our 2016-2017 Teacher of the Year- Denise Chavis

- Mrs. Chavis has been a teacher for 26 years and has spent the last two as a part of the Cyclone family. She received her Bachelor's and Master's degrees from Clemson University, and her Educational Specialist Certification from various universities. She has her National Board Certification in Adolescent/Young Adult Mathematics. Mrs. Chavis believes that, "The only guarantee for failure is to stop trying," (John Maxwell) which she conveys to her students on a daily basis.

CHS is an outstanding school that has really worked hard with all stakeholders to improve school culture, climate, and academic achievement for the 2016 - 2017 school year. We have embraced communication, collaboration, creativity, and critical thinking skills so that are students can thrive academically. We are proud of the students and staff here at CHS!

Focus for 2016-2017

Chester Senior High School will continue to focus on creating a culture of high expectations that concentrate on **Communication, Collaboration, Creativity, and Critical Thinking**. Our one-to-one technology initiative has helped to actively engage students and teach them necessary 21st Century Skills so that they can compete in this global society. Our school improvement plan has comparative data that shows we continue to improve academic outcomes for our learners. We work with our on-site **Career Center, York Technical School, and Lancaster USCL**, to ensure our students are both college and career ready in their post-secondary lives. CHS strives to make sure our students are getting the world class knowledge, world class skills, and life and career characteristics to fit the *Profile of a South Carolina Graduate*.
