Meet our 2015-2016 Teacher of the Year- Robert Jordan

- Mr. Jordan has been a part of the Chester High School Cyclone family for 8 years. He said, "Every year I modify my classroom curriculum to meet students' needs. I believe in adapting to my students as opposed to having my students adapt to me. I believe that my job is to foster critical thinking, and help my students prepare for the real world." When asked what he wished students knew, he quoted from French author Antoine de Saint-Exupery... "A goal without a plan is a wish."
