- Photogenic and Spirit of Pageantry Sponsor: Melissa Starnes of the Stephen Cooley Real Estate Group

LHS Yearbook

The Yearbook committee worked diligently this year to build the 2021-2022 yearbook that will serve as a lasting historical document for the school. Books will be delivered in mid-May and will be released at a Yearbook release party on May 20 (date is subject to change).

GiTi Math and Science Team

The GiTi Math & Science Team competed on March 30, 2022. The team engineered a 3D printed bridge that was able to withstand force without breaking. While we did not take 1st place in the competition, we were successful in our design and proud of the product produced by the team.

Athletics

Morgan Stone signed to Charleston Southern for sporting clays. Savannah Rollins signed to USC Salkehatchie for volleyball. Malaurie signed to St. Andrews University for softball. Softball and baseball were region champions and boys' soccer made it to the playoffs which will be played in May. Football is gearing up with Coach Boulware eager to take the reins.

Beta Club

The LHS Beta Club inducted 23 new members in December. The Beta Club holiday project was in partnership with Harmony Baptist Church. We provided Christmas for two children who are in foster care within Chester County.

Academic Challenge Team

Academic Challenge placed 1st in regular season competition, with a notable win over Rock Hill High who went on to win 1st place in the large school tournament. At the regional tournament, LHS placed 3rd with multiple games going into over-time and decided by a single point. We're proud of all the incredible work the team put forth this year and look forward to next year!

LHS Student Council

Lewisville High School's Student Council includes nine elected officers as well as elected homeroom representatives. The council oversaw existing programs and helped to improve the student body's high school experience for the 2021-2022 school year. They coordinated numerous assemblies including celebrations for Halloween, Christmas, and a very powerful Black History Month program. They carried out a variety of homecoming spirit week activities which celebrated our senior court and made the week a memorable one. Other activities that kept the council busy included collecting Christmas presents for CCSD Toy Drive and participating in Round Table Discussions. The officers were members of a student leadership team who met with the administration on a regular basis and the senior officers were a part of the student cabinet. Student cabinet participated in monthly meetings with the District Superintendent and other district officials to speak about current events and voice concerns of the student body.

Unified Champion School

This is a Lewisville High School's fourth year at being a Unified Champion School. Being a Unified Champion School means that we engage and encourage students to create within their school community a climate of inclusion, acceptance, respect, and dignity for all with or without intellectual disabilities. This year we celebrated National Rock Your Socks Day, had a Spirit Week with activities that promoted acceptance of all people, and had a day that students rallied to end the R word.

Teacher Cadet

The LHS Teacher Cadet Class is designed to introduce students to the field of education. Cadets gain an appreciation for the teaching profession that will help them to become valuable community members. Each year, cadets complete a field experiences at our local elementary and middle schools, participate in College Day at Winthrop University, and volunteer at the SC "End the R Word" Rally and our area Special Olympics.

Band

The Marching Band doubled in size to 45 students! For the 2021 season, the show selected was entitled "Dracones Venande." They earned 2nd Place, Class A with an Excellent Rating and Best Colorguard at the Olde English Festival of Bands. They received 3rd Place, Class A and an Excellent Rating at the White Knoll Invitational. At the Town of Blythewood Tournament of Bands, they placed 3rd in the Class A with an excellent rating and was 5th out of 10 in the division. For the first time since 2017, they qualified for the state finals and placed 6th in the Class 1A at the SCBDA Upper State Semi-Finals and 6th Place Class 1A (out of 15) at the SCBDA State Finals. Congratulations LION BAND!!

The 24-member Indoor Percussion's show was entitled "Cyborg 2099: Bond of Blood and Steel." They placed 3rd in Music for the CWEA Rock Hill HS and finished 4th Place at the CWEA Class PSN. The Winter Guard's 2022 Show was entitled "Love in the Dark" and they finished 8th in CWEA Class SA. We've also had many students participate in Band Clinics across the state.

JROTC

Junior Reserve Officer Training Corps (JROTC) is a premier leadership program for high school students. JROTC's mission is to motivate young people to be better citizens. The LHS JROTC Program enrollment for SY 2021-2022 was 98 cadets, which equates to 24% of the LHS student body. The Cadet Corps met great success when it competed in the JROTC Leadership & Academic Bowl (JLAB). The JROTC Leadership Team and the Academic Team both advanced to Semi-finals of the JLAB competition. More than 3,200 teams representing Army JROTC programs from high schools across the country and around the world competed in this annual contest.

The Lion Battalion's Air Rifle Marksmanship Team has been hard at practice and competed in a fall and spring league for the first time in many years. The team placed 18th out of 70 teams. We are postured to participate in the 4th ROTC Brigade's Best of the Best Air Rifle Competition which will be held in November 2022.

Additionally, the JROTC department will hold a Marksmanship Camp 25-29 July and all students (including rising 9th graders) who are enrolled in in JROTC are welcomed to attend. Contact the JROTC Department for enrollment information.

In its first year the Lion Battalion Archery Team has earned an invitation to the National Archery in the Schools Program (NASP) Eastern National Championship in Louisville, KY. The team earned its way into the championship tournament by placing in the top five during the 4th ROTC Brigade's Best of the Best Archery Tournament. We are extremely proud of the dedication of the cadets and the support of our parents.

Additionally, the JROTC department will hold an Archery Camp 25-29 July and all students (including rising 9th graders) who are enrolled in in JROTC are welcomed to attend. Contact the JROTC Department for enrollment information.

Youth Advisory Board

The Youth Advisory Board made public service announcements encouraging students to avoid illegal substances and the dangers of addiction. They also encouraged people to seek help for themselves and others. The club placed stickers on alcoholic beverages in gas stations with warnings about not buying alcohol for underage persons. The club hosted guest speakers who gave testimonies about the importance of avoiding illegal substances, real life dangers and how to seek help if needed.

MAP Testing

Over the course of the 2021-2022 school year, teachers received additional MAP training and MAP scores have improved tremendously. Interventionists (Math & Reading) have been working with Tier III students all of whom have made gains on MAP and demonstrated marked improvements.

Overall school growth:

- 9th Math 6.5 growth points
- 9th Reading 9 growth points
- 10th Math 6.8 growth points
- 10th Reading 7.5 growth points

Teacher Awards

Coach Pemberton was awarded a \$500 grant for "Healthy Weight Room." Mrs. Amanda Freeman won District Teacher of the Year and has represented the district in several state activities.
