And Priscilla Xiong (Student)

2020-21 Happenings at LHS

Classroom Innovations

LHS has continued with Project Lead the Way creating new engineering, computer science and computer programming courses at Lewisville High School. Lewisville High is also looking to go forward with such efforts by becoming a STEAM certified school. STEAM schools aim to enhance science, technology, engineering, the arts and math. LHS will enhance the visual arts and band programs through this initiative.

SAT, ACT, and Ready to Work Assessment

The ACT Plus Writing helps to prepare third year students for future life success. The data will help students and families better understand academic performance, improve graduation rates, and ultimately build a stronger, better-equipped workforce. Students should have their scores at the end of their junior year, which will increase their possibilities of going to college and applying for scholarships and financial aid.

The National Spanish Honor Society

The National Spanish Honor Society is comprised of students who have achieved and maintained an A average for three semesters of Spanish. After joining the society, students travel to Queen City Ballroom in Charlotte to learn salsa, merengue, and bachata dances. They also explore culture through a culinary experience at a local restaurant. The annual event is one that students enjoy and look forward to each year. This year's event was cancelled due to COVID-19.

Beta Club

The LHS Beta Club inducted 33 new members this fall. Due to COVID, group service activities have been temporarily suspended, and students are obtaining their service hours individually in their communities.

Academic Challenge Team

The Academic Challenge Team finished this season with a record of 2 wins and 2 losses. The OEC Regional Tournament, SC State Championship, and in person NAQT tournaments were all cancelled this season due to concerns over player safety.

LHS Student Council

Due to the current situation, it has been difficult for the council to carry out many of the activities they have in past years. Lewisville High School's Student Council includes nine elected officers. The council generally oversees key programs and activities at LHS. One program includes the Lewisville Care Closet. They have coordinated numerous assemblies in the past, including a Black History Month program. They carried out a variety of modified home coming spirit week activities, making the week a memorable one. Another activity included collecting Christmas presents for the Angel Tree Program. The council was unable to hold a Red Cross Blood Drive but plan to continue in future years. Junior and senior officers were members of the student cabinet, in which they had the opportunity to meet with the superintendent as well and other district officials to hear current events related to the district and voice their concerns as student leaders.

Teacher Cadet

The LHS Teacher Cadet Class is designed to introduce students to the field of education. Cadets gain an appreciation for the teaching profession that will help them to become valuable community members. Each year, cadets complete a field experiences at our local elementary and middle schools, participate in College Day at Winthrop University, and volunteer at the SC "End the R Word" Rally and our area Special Olympics. This year these events were not held in person due to COVID.

Interact Club

Interact/YAB (CC Youth Advisory Board) is working to offer music bingo during lunch alternating between intramurals.

We have elected officers for both organizations (will forward once the students are notified)

YAB is providing t-shirts to all members and doing a senior spotlight in their newsletter. They will also be providing fans at graduation for graduates and guests.

Interact partners with the CCYAB to promote good decision making and a prevention mindset. The leadership roles (voted on by their peers) are as follows:

LHS YAB Officers

Chair: Jakarei McClinton

Co-Chair: Grayson Knox

Secretary: Rashaun Scott

LHS Interact Officers

President: Mollie Andrews

Vice President: Darian Evans

Communications Director: Scottie Gibson

FBLA

The mission of Future Business Leaders of America is to bring business and education together in a positive working relationship through innovative leadership and career development programs. Currently, we have ten student members. Students attended the FBLA District Leadership Conference at Dorman High School this year and competed in Economics, Introduction to Business Communication, Introduction to Financial Math, and Personal Finance. Two students, Jessica McAulay and Makayla Xiong, qualified for state competition in North Charleston.

JROTC

The LHS JROTC Program enrollment for SY 2020-2021 was 90 cadets, which equates to 24% of the LHS student body. The Cadet Corps met great success when it competed in the JROTC Leadership & Academic Bowl. The JROTC Leadership Team and the Academic Team both advanced to Level II (Semi-finals) of the JLAB competition. More than 3,200 teams representing Army JROTC programs from high schools across the country and around the world competed in this annual contest.

The Cadet Drill Team was highly successful in preparing for Competition Drill which will be conducted later this year due to COVID-19. The team looks forward to competing in four competitive events before this school year ends. Finally, the Lion Battalion's Marksmanship Team has been hard at practice and is postured to compete in its first event in many years. The event is the 4th ROTC Brigade's Best of the Best Air Rifle Competition which will be held March 26th. Even though COVID-19 has limited the Marksmanship Team from competing regularly, we continue to practice and is prepared to compete in a total of 7 events during this school year.

LHS Guidance

The Lewisville High School Class of 2020 held its commencement exercises Saturday, May 30, 2020 at The Gateway Conference Center. Ninety seniors participated in graduation, with a total of \$5.9 million in scholarship offerings and a graduation rate of 90.9% . Three members of the Class of 2020 earned Associate Degrees prior to graduation, taking full advantage of the dual enrollment partnership between Chester County School District and the University of South Carolina-Lancaster campus.
