SIC Annual Goals

- ❖ Increase student achievement by 3% in Math and ELA
- ❖ Implement an RTI program for all students every Tuesday
- ❖ Implement a before and after school tutoring program for students two days a week
- ❖ Purchase materials to supplement the Math and ELA programs
- ❖ Have end-of-semester or end-of-year vertical alignment meetings with the previous and next grade level teachers
- ❖ Increase the use of technology by enhancing classroom learning with computer tablets for all 8th grade students

LMS Mission Statement

In partnership with parents and the community, LMS will provide students will a safe and positive environment that meets the needs of adolescents and ensures that students are provided with the means to reach their individual goal of academic growth in order to be productive, responsible, and successful in the high school setting and beyond.

Purpose of the Report

"This Report is issued by the LMS School Improvement Council in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC, and other accomplishments during the school year."
