Vision of LES

As a family of learners, we aim to empower students with knowledge, compassion, and integrity to build a successful learning community.

Lions Empowered to Succeed

Our School

Lewisville Elementary School is a rural school located in the Richburg community, which is part of Chester County. We are home to 510 students in grades Pre-K through 4. We have two full-day pre-K classes. Our goal is to promote teaching and learning through engaging, rigorous, and varied instructional strategies.

LES is a Professional Development School with Winthrop University.

We help prepare future teachers. In turn, we receive professional development support from Winthrop University. We have a Winthrop Faculty-In-Residence assigned to our school who works with our teachers, and Winthrop interns to meet school and district goals. We are a Winthrop Partner School.

Activities, Opportunities, and Recognitions

- Flag Patrol
- Safety Patrol
- Art Club
- Bug Club
- Off-Campus and In House Standards- Based Field Trips
- C.A.T.C.H. Program/Brain Gym
- Summer Reading Camp
- Summer Readers Celebration
- Cub Club
- Snack Pack Program
- Red Ribbon Drug Awareness Week
- Honor Roll/Perfect Attendance Recognitions
- Awards Ceremonies
- Student of the Month Recognition
- Junior Achievement
- Parent Teacher Organization (PTA)
- School Improvement Council / Title I Meetings
- Parent Volunteers
- High School Football Readers (Lewisville High School)
- Teacher Cadets (Lewisville High School)
- Student Interns (Winthrop University)
- Jr. ROTC Classroom Volunteers (Lewisville High School)
- Weekly Parent Folders

- Dr. Doug, USC Scientist (Hands-On Science Program)
- Giti Math & Science Club
- Diamond Dell Mining
- AtomzLab—In house- Science-field trip
- Read Across America Week

School Renewal Plan Strategies

Performance Goal: Student Achievement

- ❖ Intervention programs are provided to assist struggling students in reading and math. One full time reading interventionist works with small groups of students on a daily basis.
- ❖ Parent workshops were offered in literacy, science, and homework.
- ❖ MAP and Fountas and Pinnell reading data are analyzed for kindergarten through fifth grade students identify student strengths and weaknesses. The school's Data Team assists with test score analysis. MAP and classroom assessment data are used to analyze students' strengths and weaknesses in math.
- ❖ Promethean boards are in all regular classrooms, intervention rooms, music and art to support, enhance reading instruction.
- ❖ The Chester County School District's reading initiative provides a full time literacy coach and reading interventionist to support teachers with ELA instruction.
- ❖ The technology lab allows for flexible scheduling to assist teachers with research-based projects in ELA, science, and social studies.
- ❖ The 1:1 HiTech Initiative has been implemented to grades third, fourth and fifth grade students.

Performance Goal: School Climate

- ❖ Opportunities are provided to increase parental involvement and participation. These included Parent-Teacher Organization, School Improvement Council meetings and Title 1 Parent workshops.
- ❖ Parents are provided access to the Parent Portal to access student grades on a weekly basis.
- ❖ Intervention conferences and celebrations are held to increase student attendance.
- ❖ Administration holds conferences with teachers who were frequently absent from work.
- ❖ Professional Learning Communities serve as the school's foundation for teacher collaboration, data driven instruction and student achievement.

Performance Goal: Teacher /Leadership

- ❖ Teachers are afforded professional development opportunities by attending conferences, workshops, and seminars.
- ❖ The school's Data Team, School Leadership Team, CATCH Team, etc. promote teacher leadership and teacher led professional development based on needs assessment data.

2018 SC READY (South Carolina College-and Career-Ready) Percent Met or Exceeded

ELA-3rd	4th
45%	43.9%
Math-3rd	4th
55.7	45.2

Measures of Academic Progress (MAP)

Student achievement in reading and math is measured each year during the fall, winter, and spring for students in grades K-4. Students take these tests in the computer labs. They each have individual goals and targets for each subject.

Fountas & Pinnell, KRA2 & PALS

Reading success is measured by several different assessments. Fountas & Pinnell is administered three times a year for all students in grades 1-4.

KRA is administered to Kindergarten students once a year. PALS is also a program used in Kindergarten classrooms to help students become better readers.
