Vision of LES

As a family of learners, we aim to empower students with knowledge, compassion, and integrity to build a successful learning community.

Lions Empowered to Succeed

Our School

Lewisville Elementary School is a rural school located in the Richburg community, which is part of Chester County. We are home to approximately 570 students in grades Pre-K through 5. We have two half-day pre-K classes. Our goal is to promote teaching and learning through engaging, rigorous, and varied instructional strategies.

LES is a Net SCOPE Partner School with Winthrop University's Net SCOPE Project!

What does this mean? It means that we help prepare future teachers. In turn, we receive professional development support from Winthrop University. We have a liaison assigned to our school who works with our teachers, and Winthrop interns to meet school and district goals.

Activities, Opportunities, and Recognitions

- Flag Patrol and Safety Patrol
- Art Club
- Girls on the Run
- 5th Grade Pork Chop Production
- Jump Rope for Heart
- Standards Based Field Trips
- D.A.R. E. Program
- C.A.T.C.H. Program
- Grandparents' Lunch
- Red Ribbon Drug Awareness Week
- Honor Roll/Perfect Attendance Recognitions
- Student of the Month Recognition

- Character Education
- Special Olympics
- Spelling Bee
- Response to Intervention Programs for grades K-5
- W.A.T.C.H. Dog Program
- Dr. Doug, USC Scientist (Hands-On Science Program)

School Renewal Plan Strategies

Performance Goal: Student Achievement

- ❖ Intervention programs for grades K-5 are provided to assist struggling students in reading and math. One full time reading interventionist works with small groups of students on a daily basis.
- ❖ Parent workshop was held to provide information about the Federal Report Card.
- ❖ MAP data are analyzed for kindergarten through fifth grade students in reading and math to identify student strengths and weaknesses. The school's Data Team assists with test score analysis.
- ❖ Promethean boards are in all regular classrooms, intervention rooms, music and art to support, enhance reading instruction.
- ❖ The Chester County School District's reading initiative provides a full time literacy coach and reading interventionist to support teachers with ELA instruction.
- ❖ The technology lab allows for flexible scheduling to assist teachers with research-based projects in ELA, science, and social studies.

Performance Goal: School Climate

- ❖ Opportunities are provided to increase parental involvement and participation. These included Parent-Teacher Organization, School Improvement Council meetings and Parent workshops.
- ❖ Parents are provided access to the Parent Portal to access student grades on a weekly basis.
- ❖ Intervention conferences and celebrations are held to increase student attendance.
- ❖ Administration holds conferences with teachers who were frequently absent from work.

Performance Goal: Teacher /Leadership

- ❖ Teachers are afforded professional development opportunities by attending conferences, workshops, and seminars.
- ❖ The school's Data Team, Common Core State Standards Team, and School Leadership Team promote teacher leadership and teacher led professional development based on needs assessment data.
- ❖ School wide GBE research-based goals are established to increase parental involvement and student achievement.

PASS (Palmetto Assessment of State Standards) Percentage of Met & Above

Year	ELA	Math	Science	Social Studies	Writing
2009	74%	49%	63%	70%	68%
2010	76%	71%	60%	72%	77%
2011	75%	73%	65%	77%	68%
2012	79%	74%	77%	83%	67%
2013	80%	76%	76%	84%	70%

Measures of Academic Progress (MAP)

Student achievement in reading and math is measured each year during the fall, winter, and spring for students in grades K-5. Students take these tests in the computer labs. They each have individual goals and targets for each subject.

Students are recognized with a school-wide celebration after the spring assessment.
