

Beliefs

We believe that ...

- School should provide a safe, healthful and nurturing environment.
- Children should be taught to accept responsibility for their decisions and actions.
- Teaching styles should provide a challenging atmosphere for all students and special assistance for those with academic, social, physical and emotional difficulties.
- Successful school-related experiences, including academics, athletics, intra-curricular activities and the arts are critical to the formations of positive self-concepts.
- School should teach children to apply their knowledge and skills to solve real-world problems.
- Knowledge and understanding of individual and cultural differences aid in the development of good citizenship.
- School should teach and model mutual respect.
- School should challenge students to develop critical thinking skills and communicate effectively.

Title I Reward School for Performance

At Clearwater Elementary, we are proud of our students, teachers, staff, and parents for their outstanding commitment to excellence. Our school's overall grade this year was a "B". We were awarded the "Title I Reward School for Performance-among the highest performing Title I schools in a given year."
