- 3. Provide a safe, orderly, and healthy school that ensures a positive and caring learning environment Strategies**
  - **PBIS**
  - **Safety Plan and School Safety Drills**
  - **School Safety Officers**

## *Why STEAM?*

***Chester Park COLT is preparing to lay the tracks for Science, Technology, Engineering, Arts, and Math that will transport 21st Century learners into the future!"***

STEAM is a way to teach how all things relate to each other, in school and in life. It's more fun than traditional learning styles and makes more sense to all types of learners because it is based on the natural ways that people learn and are interested in things.
