- ◆ School Safety Officer and School Resource Officer
- ◆ Crisis Response Team

“**Chester Park COLT** is preparing to lay the tracks for **Science Technology, Engineering, Arts, and Math** that will transform 21st Century learners

STEAM is a way to teach how all things relate to each other, in school and in life. It’s more engaging than traditional learning styles and makes more sense to all types of learners because it is based on the natural ways that people learn and are interested in things.
