We Believe....

- All students can learn in a nurturing and compassionate environment
- High expectations should be set for all students and staff.
- Quality education prepares students to become productive members of society
- All students and teachers are responsible and accountable for their actions
- Effective leadership facilitates learning
- Academic growth is facilitated by effective teaching strategies
- School, home, and community share in the responsibility for providing a supportive learning environment
- Each student is a valued individual with unique abilities and learning styles
- Teachers are responsible for providing high quality, research-based instruction

Chesterfield County
School District

Mission Statement:

McBee Elementary School, a small school with a dedicated staff, through a partnership with parents and community, is committed to enabling our children to achieve their full potential through monitoring and adjusting the educational process that will foster a positive attitude toward learning and adapting to an ever-changing environment.

Celebrate With Us..

- ◆ ESEA Federal Accountability Rating: A
- ◆ State Recognition Based on PASS Scores:
- ◆ Palmetto Silver Award for General Performance
- ◆ Palmetto Silver Award for Closing the Achievement Gap
- ◆ National Beta School of Distinction
- ◆ National Beta Club Convention Winners
- ◆ Three National Board Certified Teachers

Goals

Student Achievement

Goal: The percentage of students scoring met and above in mathematics and ELA will increase.

Strategies:

- ◆ Continue to analyze MAP, Fountas & Pinnell, and SCREADY data to analyze learning gaps and drive instruction.
- ◆ Use resources and instructional materials to incorporate differentiated learning.
- ◆ Improve student and teacher attendance.

Climate

Goal: The percentage of parents participating in parent/teacher activities that support home/school relations as measured by participation data will continue to remain at 100%.

Strategies:

- ◆ Provide information to parents and community through effective use of the parenting newsletter, website, School Messenger and local media.
- ◆ Continue to hold Open House at beginning of school year.
- ◆ Continue to use school surveys to gather information from parents, students, and teachers.
- ◆ Continue to increase parent/teacher conference attendance.

Teacher/Administrator Quality

Goal: The percentage of teachers receiving high quality, research based professional development will increase to 100%.

Strategies:

- ◆ Provide ongoing researched based professional development for teachers.
- ◆ Use common grade-level planning and/or afterschool to promote curriculum development and evaluate assessments.
- ◆ Maintain highly qualified teachers in all areas.

Additional Information:

- 100% of teachers are highly-qualified in their teaching areas
- Jr. Beta Club worked on a year-long service project to create sleeping mats for homeless people in our local community
- Several students advanced to National Junior Beta Competition
- Chorus Members traveled to Biltmore Estate, local nursing homes, and even New York to perform!
- Chorus Members held an annual Dinner Theater to raise money for the arts
- Several teachers have received grants to fund books for classroom libraries, field trips and even a student-created garden
