School Renewal Goals

Student Achievement

Goal: The percentage of students scoring met and above in mathematics and ELA will increase to 99 %.

Strategies:

- ◆ Continue to analyze MAP, Fountas & Pinnell, and PASS data to analyze learning gaps and drive instruction.
- ◆ Use resources and instructional materials to incorporate differentiated learning.
- ◆ Improve student and teacher attendance.

Climate

Goal: The percentage of parents participating in parent/teacher activities that support home/school relations as measured by participation data will increase.

Strategies:

- ◆ Provide information to parents and community through effective use of the parenting newsletter, website, School Messenger and local media.
- ◆ Continue to hold Open House at beginning of school year.
- ◆ Continue to use school surveys to gather information from parents, students, and teachers.
- ◆ Continue to increase parent/teacher conference attendance.

Teacher/Administrator Quality

Goal: The percentage of teachers receiving high quality, scientifically based professional development will remain at 100%.

Strategies:

- ◆ Provide ongoing researched based professional development for teachers.
- ◆ Use common grade-level planning and/or afterschool to promote curriculum development and evaluate assessments.
- ◆ Maintain highly qualified teachers in all areas.
