### Student Achievement:

- By spring 2027, 70% of all 3rd-5th grade East Aiken students will meet or exceed standard on the ELA portion of SC Ready.
- By spring 2027, 66.28% of all 3rd-5th grade East Aiken students will meet or exceed standard on the MATH portion of SC Ready.
- By Spring of 2027, the percentage of 4th grade students scoring meets or exceeds in Science will increase from 53.1% to 66.24% as measured by SCPASS.
- By Spring of 2027, the number of student progress points earned will increase from 17.55 to 29.55 as measured by SC Ready.

### Teacher/Leadership Quality:

- By June 2027, the percent of teachers with advanced degrees will increase from 41.2% to 51.2%.

### School Climate:

- By spring of 2027, the number of school climate points earned will increase from 8.54 to 9 as measured by SC Climate Survey.

### Supporting Activities:

- Analyze testing data to identify strengths and weaknesses in order to make instructional decisions and meet student needs.
- Employ a full-time Reading Interventionist
- Employ a full-time Reading/Math Interventionist
- Employ a full-time Instructional Coach
- Employ a full-time Behavior Management Room Aide.
- Use research-based strategies to ensure that students receive instruction through a variety of modalities and learning styles
- Purchase instructional materials to effectively implement strategies, such as small group instruction, visual thinking, effective questioning techniques, and arts integration.
- Provide professional development to effectively implement strategies, such as explicit direct instruction, small group instruction, effective questioning, techniques, and arts integration
- Implement arts integration strategies in all content areas across all grade levels.
- Provide direct special education support services for qualifying students using a push-in and/or pull-out instructional model as well as providing appropriate accommodations in mainstream settings

## Our School Mission Statement

The mission of East Aiken School of the Arts is to:

*Accommodate differences,*

*Reveal a passion for learning,*

*Teach appreciation, and*

*Stimulate creativity.*

### We Believe:

- Through the arts, students learn life skills that enable them to become more creative and productive citizens.
- The arts are an integral part of the academic curriculum.
- The arts benefit students of all learning styles and abilities.
- All students are entitled to a comprehensive and sequential arts education program.
- All students should develop reading, listening, speaking, and writing skills to prepare them for meaningful work and lifelong learning.
- All students should develop mathematical skills in reasoning, computation, financial literacy, computer literacy, and engineering design to prepare them for meaningful work and lifelong learning.

## Our School Vision Statement

At East Aiken School of the Arts, we are *Striving for Academic Excellence through the Arts.*

## East Aiken School of the Arts is a Certified Arts in Basic Curriculum School

The Aiken County School District recognizes and supports the desires of families to choose the best educational setting for their children. East Aiken School of the Arts is a partial-magnet school utilizing an application process for students in kindergarten through fifth grades who live outside the East Aiken zone. Acceptance is on a first come first serve basis depending upon available spots. At East Aiken School of the Arts you can expect to find:

- Fully certified art, music, dance, theatre, and physical education/creative movement instructors.
- Opportunities for advance arts instruction in music, dance, and visual arts.
- A comprehensive and sequential arts program
- General education teachers trained in arts-infused instruction.
- Arts Integration used in all academic settings.
- A school-wide "Acting Right" drama-based behavior management system.
- No school fees beyond those required at other Aiken County elementary schools.
