## Message From the Principal

We are Scott's Branch Middle/High School and our primary focus is the whole student! Located on the outskirts of the city of Summerton, our institution of teaching and learning consistently influences the minds of students from grades six through twelve. Our administration, faculty, and staff work diligently to ensure that we promote world-class knowledge, world-class skills, and life and career characteristics: The Profile of the South Carolina Graduate. Great pride is taken in our academic and athletic efforts and achievements. We emphasize our transparency by welcoming all stakeholders and visitors. Please stop by to witness how the Eagles soar!

Corey A. Burgess

### ***Future Business Leaders of America***

## *Scott's Branch Middle/High School*

- ◆ Scott's Branch Middle/High School continues to prepare our students to be world class citizens, as greater emphasis is placed on the Profile of the South Carolina Graduate. We work as a team to maintain a safe and nurturing environment. Teachers are given curriculum that is meaningful and rigorous and which respects diversity in students' learning styles.
- ◆ Scott's Branch High School's Culinary Arts Team placed second in a national competition.
- ◆ Scott's Branch High School senior was honored at the STEM Signing Day by Boeing, BMW and the SC Manufacturer's Alliance to celebrate students who plan to pursue a career in the STEM field.
- ◆ Scott's Branch High School's varsity girls basketball team won the Class 1A state championship.
- ◆ Scott's Branch High School track team secured the state title two consecutive years. The team had the distinction of setting a state record on number of points scored by any team in the state.
- ◆ Scott's Branch Middle School boys' basketball team finished first in the region championship this year.
- ◆ Middle and High school Future Business Leaders of America (FBLA) students won in respective district and state level competitions qualifying them to compete nationally.
- ◆ Scott's Branch Middle/High School is a technology rich environment. Teachers are able to extend learning via five fully operative computer labs (one of which is a MAC Lab), Interactive Blackboards, cell phones, MacBooks, etc. The instructional staff believes that learning has come alive, as technology is integrated throughout our rigorous and relevant curriculum.

## *Scott's Branch High School Goals*

### **Area One: Student Achievement**

Goals: By June 2021, 78.8 % of the students participating in courses which require an examination at the end of the course will meet or exceed standard as measured by the End-of - Course Assessments.
