#### Middle School Students

## Scott's Branch Middle/High School

- ◆ Scott's Branch High School was recognized by *US. News and World Report* as one of the **"Best Schools"** in the country for the third consecutive year. This honor is based upon student performance on the state exit exams and internationally available exams on college-level course work, as well as college readiness and preparation.
- ◆ Scott's Branch High School received two **Palmetto Gold Awards**: One for increasing student achievement and the other for Closing the Achievement Gap.
- ◆ Scott's Branch Middle School received a **Palmetto Silver Award** for student achievement.
- ◆ Scott's Branch Middle/High School is a technology rich environment. Teachers are able to extend learning via four fully operative computer labs, Interactive Blackboards, cell phones, MacBooks, etc. The instructional staff believes that learning has come alive, as technology is integrated throughout our rigorous and relevant curriculum
- ◆ As one of the first New Tech Schools in the state, Scott's Branch High School is completing it's third as a New Tech high School. New Tech has afforded student valuable opportunities to engage in project-based learning in a technology rich environment.
- ◆ Scott's Middle School has also implemented AVID, a project-based learning initiative. AVID's mission is to close the achievement gap by preparing all students for college readiness and success in a global society.
- ◆ PTO/SIC sponsors several fundraisers to support student academic achievement recognition.

## Scott's Branch High School Goals

### Area One: Student Achievement
