Message from the Principal

Manning High School, in partnership with the parents and community of Clarendon School District 2 is helping all students develop the World Class Skills of the Profile of the South Carolina Graduate by perpetuating **“Excellence in the AIR: Accountability, Integrity, and Respect”** through our continued mission of “Educating Children.”

The faculty and staff are committed to helping all students develop well-rounded citizens. The shift is evident as we continue to collaborate in Professional Learning Communities to make the best decisions for students and utilize best instructional practices across the curriculum.

The academic program of studies at Manning High School is designed to meet the diverse needs of our students. Our academic offerings include College Prep courses, Early College Dual-Credit, Honors courses, online courses, CATE courses through Manning High School and Central Carolina Technical College. Manning High School’s Early College Program allows a student to earn transferable college credits while in high school.

Patricia Moultrie-Goldsmith
