Dear Parents,

The purpose of this report is to provide vital information to stakeholders within our community. It is Manning Junior High School's expectation to be the best school in South Carolina. The School Improvement Council continues to take an active and positive role in supporting this concept.

Manning Junior High School continues to build Professional Learning Communities (PLC) with the primary purpose of creating a more personalized learning environment. The System for Teacher and Student Advancement (TAP) has focused our professional development on research proven instructional strategies that meet the needs of all our students and their learning abilities. Professional development during weekly, TAP Cluster meetings continues to focus on South Carolina State Standards and the new Common Core State Standards. If you have any questions concerning any of the information within this brochure, please call Terrie Ard, Principal of Manning Junior High School at (803) 435-8195.
