**School Summary Report**

The School Summary Report is an important part of the Education improvement Act of 1984. The purpose of this report is to inform parents and community members about the school's progress.

*If you have questions, please call Allyson H. Goff, Principal, at (803) 435-5066.*

**Comprehensive Guidance Program**

The goal of the guidance department is to help each child maximize his or her potential, both academically and socially. The guidance program is an integral part of the overall educational program and serves as a critical link to the instructional program and community. We believe that by working as a team with parents, teachers, and students, we can best meet the many diverse needs of all students.
