

INTRODUCTION

This report provides parents with information about school accomplishments and 2023-2024 goals in compliance with Education Finance Act (EFA) of 1977, Education Improvement Act (EIA) of 1984, and Elementary and Secondary Academic Act (ACT 135) of 1993. The Colleton County Middle School Improvement Council reviews and reports on progress to our school family and community.

”

“Colleton County School District will prepare every student to graduate with a 21st-century education to be globally competitive for their chosen college and/or career path.”

HEAR US ROAR!

SIC ANNUAL GOALS

1. To increase instructional support programs including:

- iReady Personalized Learning Path
- Ready ELA and Math Curriculum
- Flocabulary
- SCOIS
- Edmentum

2. Increase Student Achievement:

- Track student growth with i-Ready and Common Formative Assessments
- Use small group instruction in core content classes
- Provide intervention through Instructional Focus time built into the schedule
- Enrichment and remediation provided through i-Ready Personalized Learning Path and Ready ELA and Math Curriculum.

3. Multi-Tiered System of Support (MTSS):

- Focus on multiple supports for academics and behaviors.
- Data driven decision -making and problem solving to guide school work.
- School wide expectations with ROAR matrices.
- PBIS celebrations to provide incentive for appropriate behaviors.
