BSECC Happenings

- Virtual Learning- Students were involved in virtual learning this school year. Teachers had professional development to assist them with teaching students virtually.
- Face to face learning- At the beginning of the year 45% of our students were engaged in face to face learning. As the year is coming to a close 71% are now engaged in face to face learning.
- Small group instruction continues to happen this year. Teachers are using data to inform instruction
- Summer school will be held to assist students with learning loss from the pandemic. We have over 100 students enrolled at this time.
- New playground equipment was installed at the school.
- Social Emotional learning in all classes both virtual and face to face
- Phonics workshop
- Art class everyday
- Small group math instruction
- Virtual learning
- Creative Movement
- Chrome books for all students who request them
- Temperature checks
