Purpose

This report is issued by the CES SIC in accordance with South Carolina law to share information on the school's progress in meeting various goals and objectives, the work of the SIC and other accomplishments during the school year.

- Increase in student achievement by:
 - Aligning the school's ELA and Math curriculum, instruction, and assessment system with the SC state standards to maximize student learning
- Implementing an assessment system that generates a range of data to support student learning in the areas of ELA and math to guide data
