School Report Card Ratings

The 2011, Northside Elementary School achieved an Absolute Rating of *Average* with an Improvement Rating of *Average* on the South Carolina School Report Card.

Adequate Yearly Progress (AYP)

*Northside Elementary met 17 out of 21 objectives in student performance. The objectives included student performance, student attendance, and participation in the testing program.

Assessment

MAP (Measures of Academic Progress) testing, which is done periodically throughout the year shows substantial improvement in a majority of our students' academic achievement across subject areas.

*Teachers consistently use formal and informal assessments in the classroom to plan for differentiated instruction based upon identified student need.

Our Faculty

*100% of the faculty at Northside Elementary are Highly Qualified and a majority of teachers hold advanced educational degrees. We have three teachers with National Board Certification.

Purpose

This report is provided to parents and community members in compliance with the Elementary and Secondary Academic Act (Act 135) of 1993. It presents information about school accomplishments in the 2010-2011 school year.

NSE School Improvement Council reviews the goals and achievements and reports progress to our school family and community. Northside Elementary School believes in "Every child, Every day!"

Our Beliefs

- * The school community shares the responsibility for advancing the school's mission.
- * NSE is a place where respect, responsibility and honesty exists.
- * A safe, nurturing environment promotes student learning and confidence.
- * All students can learn.
- * Challenging expectations increase student performance.
- * Optimizing student learning is a priority.
- * Students learn best when they are actively engaged in the process.
- * Students should be held accountable for their behaviors and decisions.
