## School Improvement Council 2022-23 Report to the Parents

**Mr. Charles Douglas, Chairperson**

**Mr. Corey Lewis, Principal**

The organization and authority of the School Improvement Council (SIC) are outlined in the 1977 Education Finance Act. Its responsibilities were expanded in 1984, 1993, and 1998 to include the information in this *Report to the Parents*. The purpose of this annual report, which is required by law, is to inform the community about the current status of education at Hartsville High School, as well as the plans for improvement.

The School Improvement Council is scheduled to meet monthly in conjunction with the Hartsville High School Academic Booster Club, and public participation is encouraged and welcomed. Any topic of interest or concern is appropriate and open to discussion, and participants are afforded the opportunity to ask questions of and offer input to the principal or his designee. Items that have been discussed in the past include the International Baccalaureate Programme, the physical facilities of the school, master schedule and curriculum issues, the School Report Card and AYP data, school safety and security, and incentives for academic achievement. The overarching goal of the School Improvement Council is to continue to improve the collaborative working relationship between the school, parents of our students, local business and industry, and the community.

Ms. Stacey Gore  
Mr. Corey Lewis  
Ms. Areece Primus  
Ms. Brittany Adams

\*You may contact SIC members by calling 843.857.3700.

## Hartsville High School Gives Back to the Hartsville Community

The Hartsville High School Red Fox Family understands the importance of community support, and in turn, does many things to give back to the Hartsville community. The many service projects in which Hartsville High School clubs, organizations, and teams participated include the following:

- HHS students, faculty, and staff participated in a student led Random Acts of Kindness Day community outreach. Activities such as shoot and dribbling drills, basic wrestling moves, how to properly slide, tie dying t-shirts, modeling bumping and setting in volleyball, and showing basic stunts in cheer were ways students, faculty, and staff interacted with the community.
- Psychology students sponsored three Red Cross Blood Drives during which over 200 units of blood were collected.
- IB students and National Honor Society (NHS) students, in conjunction with Hartsville City Council and community members, volunteered more than 100 hours at the historical Marion Avenue Cemetery.
- The NHS annual silent auction provided more than \$2000 to support the Trent Hill Center.
- The NHS provided baskets filled with gifts to thirty-seven children in foster care in the Pee Dee area during the holidays.
- The Fellowship of Christian Athletes donated 96 boxes to Operation Christmas Child.
- The 2023 Mr. & Miss HHS Pageant raised over \$450 for the Dylan Adams Endowment for Pediatric Cancer.
- Hartsville High School has a Red Fox Food Pantry that sends weekend meals home to students in need.
