

Report to the Parents

We are proud of Lamar High School. This year we continue our record of excellence. Our “Report to the Parents” is presented to highlight some of the accomplishments, activities, and events of the past year. Thank you for allowing your children to be a part of our efforts to keep Lamar High School a vital part of the community.

Michelle R. Greene, SIC Chair

Message from the Principal

We are very proud of the work our students are doing. We want our students to continue to improve, so they can accomplish whatever goals they set for themselves.

Kathy B. Gainey, Principal

**LAMAR HIGH
SCHOOL**

*2018-2019 SIC Annual Report
to the Parents*

Lamar High School's Mission

The mission of Lamar High School is to prepare all students to become competent, responsible, and productive individuals by providing challenging, educational, and extracurricular opportunities in a positive, safe environment supported by the community.

Lamar High School's Beliefs

1. Parents are the first teachers; therefore, we must employ family and community resources to ensure student success.
2. An environment that emphasizes safety, mutual respect, and academic focus is necessary for learning.
3. Everyone has the capacity and the responsibility to learn more than they are presently learning and at a higher level.
4. Family, school, and community expectations affect learning and achievement.
5. Cultural sensitivity is essential to success and wellbeing in our global society.
6. All faculty, staff, and community must be dedicated to the success of every student.
7. All stakeholders must be dedicated to preparing students to become productive members of society.

Lamar High School has focused on the following goals:

- Increasing student performance on EOCEP and other state testing
- Increasing the graduation rate
- Improving communication with parents
- Integrating technology to improve classroom performance
- Improving the special education resource students' performance on EOCEP, state testing, and graduation rate

How Lamar High School made progress in these goals:

- Offered year long courses in ELA and math for students identified through SCPASS scores
- Provided after school tutorial to improve student achievement
- Participated in district staff development
- Improved parent communication through Open House, PTSA, Academic Awards Programs, Athletic Awards Program, newsletters, and use of School Connects and Parent Portal
- Continued the one-to-one MacBook Initiative, which made available MacBooks to all students.

Our school is helping all students develop the World Class Skills of the *Profile of the South Carolina Graduate* by focusing on the four Cs—critical thinking, communication, collaboration, and creativity.

Lamar High School's Academic Recognitions

Lamar High School has had a very good year academically. On the 2018 State Report Card, Lamar High School received a **Good** Absolute Rating. These recognitions are a reflection of the hard work of our students and faculty.

Other School Recognitions

Ten Lamar High School students participated in an internship program and received offers from several different businesses in Darlington County. Lamar High School has had a good year athletically also. The Silver Fox Football played for the state title in Class A.
