SRI and PASS Results

Points of Pride

- Received Palmetto Silver Awards from the South Carolina State Department of Education (2009) (2010) and (2011)
- Greendale's Reading Volunteer Program consists of trained community members that provide supplemental reading intervention to individual and small groups of students
- Community partnerships with Security Federal, Zaxby's, Publix and Bi-Lo's
- Multiple Donors Choose grants awarded

School -Wide Service Learning Projects:

- Students donated items to make "Be a Bunny" care baskets for elderly citizens identified by the United Way and our community.
- Spooky to Be Hungry collected 2,200 lbs. of food items! This drive is sponsored by the Golden Harvest Food Bank.
- Students donated supplies for the Aiken County Animal Shelter during the holiday season.
- Jump Rope for Heart raised over \$1500 in our second year of participation.
- United Way contributions reached \$1000 during 2015-2016.

2015-2016

	<u>2013</u>	<u>2014</u>	<u>2015</u>
4th PASS - SS	72.2	71.4	90.5
4th PASS Science	59.3	63.5	57.1
5th PASS - SS	51.9	48.1	54
5th PASS Science	65.4	44	52.4
SRI Results	Reading Fall	Reading Spring	
ixesuits	2015	2016	Gain
Grade 3	2015 59		Gain 14
		2016	

SRI is administered three times each year—Fall, Winter and Spring. The results from this test are used in two important ways; 1) they help teachers know how students are progressing towards mastery of standards and 2) supports strategic instructional planning. The results from the year's SRI test are listed above.

School Renewal Plan Goals 2016-2017

Student Achievement

By spring of 2016, 75% of our students will achieve state standards on South Carolina standardized testing in both ELA and math.

Teacher/Leadership Quality

By spring 2016, 100% of our teachers will maintain highly qualified status as defined by the No Child Left Behind Act.

School Climate

By spring 2016, 90% of the school's stakeholders will indicate satisfaction with the learning environment, social and physical environment, and school-home relations as measured by the state report card survey.

STEM

Science, Technology, Engineering and Math

We will continue our STEM focus in 2016-2017 specifically using literacy to engage students in engineering and technological activities. Out 1st through 5th grade students will continue with these investigations in their classrooms and through Project Based Learning during their time in out STEM classroom.
