The Dragons invite you to...

Come Home to Greendale!

Mission Statement

The mission of Greendale Elementary is to develop independent, responsible, productive individuals who are motivated to achieve lifelong success. Promoting a safe, secure, nurturing climate enriched with challenging experiences created through adequately funded programs with innovative materials and techniques guided by a **Strong school-parent-community team.**

Measures of Academic Progress or MAP is administered three times each year - Fall, Winter and Spring. The results from this test are used in two important ways: 1) they help teachers know how students are progressing towards mastery of standards and 2) supports strategic instructional planning. The result from this year's MAP test are below.

MAP 2012-2013	Math FALL 2012	Math SPRING 2013	Gain	Reading FALL 2012	Reading SPRING 2013	Gain
Grade 01	156.9	181.5	24.6	160.5	180.3	19.8
Grade 02	176.7	192.8	16.1	178.3	191.5	13.2
Grade 03	190.1	203.3	13.2	192.6	199.9	7.3
Grade 04	194.9	206.0	11.1	196.7	202.4	5.7
Grade 05	204.9	213.5	8.6	204.1	210.2	6.1

School Renewal Plan Goals 2013-2014

Student Achievement

By spring of 2014, 90% of our students will score at the Met or Exemplary levels in both math and ELA as measured by the Palmetto Assessment of State Standards (PASS).

Teacher/Leadership Quality

By spring 2014, 100% of our teachers will maintain highly qualified status as defined by the No Child Left Behind Act.

School Climate

By spring 2014, 90% of the school's stakeholders will indicate satisfaction with the learning environment, social and physical environment, and school-home relations as measured by the state report card survey.

STEM

Science, Technology, Engineering and Math

Savannah River Remediation (SRR) and Greendale Elementary School have joined forces to build the foundation of the school's Science, Technology, Engineering and Math (STEM) approach to rigorous instruction.

Beginning with the 2013-2014 school year, Greendale's first and second graders will be introduced to engineering and technological concepts through supplemental instructional materials that include hands-on manipulatives, books and other materials .

Greendale Elementary will be one of the first elementary schools in Aiken County to offer a STEM focus specifically using literacy to engage students in engineering and technological activities.

Points of Pride

- Received Palmetto Silver Awards from the South Carolina State Department of Education (2009) (2010) and (2011)
- ESEA Accountability Rating for 2012: A
- Greendale's Reading Volunteer Program consists of trained community members that provide supplemental reading intervention to individual and small groups of students
- Community partnerships with Christ Central, Security Federal, Reid's, Chick-Fil-A, and Horace Mann Insurance (Agent: Kevin Hunt)
- Multiple Donors Choose Grants awarded
- Public Education Partners (PEP) grant awarded
- Multiple Savannah River Nuclear Solutions (SRNS) Grants awarded
- \$5000 Savannah River Remediation (SRR) STAR Education Grant awarded to fund STEM related activities
- Laces of Love
- Golden Apple Award Winner—2012, Missy Walker, PALS Teacher
- Loretta Childress, Teacher of the Year, will serve on the district's Honor Council as a District Teacher of the Year Finalist

School Wide Service Learning Projects:

- Students donated items to make "Be a Bunny" care baskets. Baskets were donated to local community members identified by the United Way and our Community
- Spooky to Be Hungry raised 1,932 lbs. of canned food items! This drive is sponsored by the Golden Harvest Food Bank
- Students donated pet items at Christmas as gifts for our furry friends at the Aiken County Animal Shelter
