The mission of Brockington Elementary Magnet School is to prepare students to be college and/or career ready, meeting the demands of the 21<sup>st</sup> century.

### **SIC Annual Goals**

BEMS hosted a Math in the Real World Showcase Event. This event provided students with the opportunity to see how math is used in the real world specifically in careers that interest them.

BEMS continues the Township of Brockington where students learn about finance and how to manage their money. Students interview for jobs and earn a weekly paycheck. Students are able to use their Eagle Bucks to purchase items every nine weeks at our Eagle Store.

Our 3rd grade students continue to read with a therapy dog and her name is Georgia. Students are able to improve reading fluency and self-esteem.

### **Additional Information**

Our School Community consists of Grades 3 through 5 and serves as a "Magnet School Within a School." We have a highly qualified staff and a supportive parent and community base.

To be ready for the 21<sup>st</sup> century, our staff believes BEMS students need to:

- engage in real-world, problem-solving activities that require the use of critical thinking and creativity.
- develop the ability to use technology safely to enhance life in and out of school.
- develop the social and emotional skills needed to confidently interact with their peers and community.
- develop their sensory perception of the world around them.
- use receptive and respectful speech, tone, and body language while communicating with others.
- apply financial literacy needed to save and spend wisely, promoting a life of financial prosperity.
- develop habits that will help preserve their health and overall well-being.
