

A Note From the SIC...

Dear Parents and Community Members,

We are so proud of the hard work our students and staff have put into meeting our goals this past year. We set high goals and took every measure to make it happen. Students did more rigorous work, teachers prepared better, interventions were offered during the day, after school and on weekends. We realize that we must work to maintain our performance and have plans in place to do so. With the cooperation of our parent body, the Rosenwald faculty believes that there is no limit to what our students can accomplish.

Sincerely,
Lakia Eaddy, Chairman
Kim Mason, Principal
