

Performance Goals

All students have an intrinsic desire for learning that follows them throughout their lives.

- All students learn in different ways and should be provided with a variety of instructional approaches to support their learning styles.
- Given an inviting school environment, all students will acquire positive attitudes about learning and demonstrate enthusiasm for learning in all areas of the regular curriculum as well as visual arts, performing arts, and physical fitness.
- With a committed staff of teachers and parents, all students will demonstrate skills in reading, writing, listening, speaking, math, and science as well as become critical thinkers and problem solvers.
- All students need the ability to utilize technology to facilitate learning and prepare for functioning in their career choices.
- Using character education models in the school, at home, and in the community, students can learn to develop respect for others and an ability to work cooperatively, including respect for differences in race, gender, abilities, and disabilities of others.
- High expectations and clear goals regarding student behavior will set the standard for students to assume and accept responsibility for their own actions and the consequences these actions may cause.

- Golden Apple Award Winner - 2012, Allison Kervin
- DAR State Essay Winner - 2012, 5th grader, Sydney Echols

2011-2012 SIC Goals

Last year our school improvement council was able to help plan and execute the renovations to our kindergarten playground, start up our live morning news show that is broadcast throughout the school, and integrate the Compass learning software into our computer labs.

This year the SIC is planning on beginning a major renovation to our courtyard area next to the cafeteria. We are working with landscape architects to design a beautiful area complete with a new water feature, amphitheater, and a new patio area which will be wheelchair accessible.

We also applied for the prestigious Dick and Tunky Riley award for school improvement excellence and were named to the honor court.

Also on our list of goals this year is to start planning for our 60th anniversary celebration, and adding a television and speakers to the cafeteria to improve our assemblies and special events.

Hammond Hill Elementary

Spring 2012 - Report to Parents

901 West Woodlawn Avenue
North Augusta, SC 29841
Phone - 803.442.6170
Fax - 803.442.6112
<http://acps.schoolfusion.us/>

The purpose of this report is to inform community members and parents of the accomplishments and goals of the HHE SIC. Included you will find test scores, awards, and programs offered at our school.

Come see why it's great to be an HHE bee!

Janet Vaughan, Principal
Sara-Beth Brown, Assistant Principal

Test Scores

The only school in Aiken County to surpass the state average in all subject areas. Working with a poverty rate of 47%, our teachers prove everyday that HHE is the place to bee!

Mission Statement

The mission of Hammond Hill Elementary School is to academically prepare children to function successfully in our changing society by providing educational experiences that emphasize academic skills, critical thinking skills, use of technology, respect for individual differences, and creativity.

The School Improvement Council (SIC) at Hammond Hill Elementary has prepared this pamphlet. More information can be accessed at our website listed on the front of this brochure. The HHE School Improvement Council meets on the second Tuesday of each month in the conference room at 10:15 am. Any interested parents and community members are invited to attend. If you have any questions about the information presented in this pamphlet, please do not hesitate to contact any SIC representative listed below. You may email the SIC through our website. The link is on the school webpage.
