### Goals and Strategies for Improvement for 2011-2012

1. Continue collaborative groups to refine curricula as well as design formal and informal assessments that reflect the higher levels of the revised Bloom's Taxonomy.
2. Plan and implement the High Schools That Work model to provide focus on student achievement and school improvement.
3. Provide HSAP preparation classes for juniors and seniors who have not passed either or both ELA or Math subtest.
4. Provide an after-school tutorial program to assist students in passing state tests and with extended time to complete course requirements.
5. Develop department actions plans aimed at improving student performance, discipline, and attendance based on the analyses of assessment and demographic data.
6. Refine pacing guides, common lesson plans, and common assessments for each course based on the revised Bloom's Taxonomy and the Common Core Standards.
7. Continue to use the Measure of Academic Performance data to drive instruction and determine scheduling.
8. Develop a credit retrieval plan using A+ Learning to provide alternatives to students who require extended time to earn credits toward graduation.
9. Create a student GATOR PRIDE incentive program to reward academic performance, attendance, wellness, and success.
10. Provide professional development opportunities for teachers in content, assessment, methodology, and technology.
11. Establish lines of communication with parents through school Messenger, Ed-Line WebPages, weekly telephone calls, and conferences.

### School Improvement Council

#### Annual Act 135 Summary Report - February 2012

LVHS SIC's mission is to serve as a school advisory council that involves parents and community members who will support and assist the school's administration and teachers in their innovative efforts to improve the overall quality of the school for students.

It is the mission of Lake View High School to develop life-long learners and responsible, productive members of society by providing academic, social, and emotional skills through cooperation of school and community. With this mission as the center piece, LVHS is proud to present to parents, teachers, students, and community members the SIC annual report.

Lake View High School has academically and athletically talented students in grades 8<sup>th</sup> through 12<sup>th</sup>. During the 2<sup>nd</sup> semester of the 2010-2011 school term the renovations for the new middle school and media center finally began. In approximately 1 year Lake View High School will share a campus with the new Lake View Middle School. This is new facility will accommodate grades 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade students (the true middle school concept). The new media center will provide innovative forms of technology, academic enrichment and current resources for both the middle and high schools.

The faculty and staff are committed to build rigor, relevant, and positive relationships to enhance student learning. Curriculum planning and implementation of standards based instruction was continued to guide student achievement. A comprehensive testing

plan for the 2011-2012 school was developed using information from MAP, HSAP, EOC, PASS, SAT, and ACT data. The following programs were implemented to assist in identifying aiding At-Risk Students, (Tutoring, Mentoring, Tier 2 Keytrain-Workeys Programs, PAXIN Program, and Trinity Behavior Specialist). There were Scholarship and Financial Aide Workshops for Students/Parents.

## Lake View High School Beliefs

In accordance with SC state standards, we advocate that upon graduation, students will be self-directed learners, contributors to the community, and collaborative workers who are able to accomplish all goals with the following beliefs:

1. We believe that a safe and secure environment is necessary to enhance student performance.
2. We believe that individuals are responsible for their actions, setting their own goals, and reaching their potential.
3. We believe that education is a shared responsibility among parents, students, educators, and the community.
4. We believe that all individuals deserve respect.
5. We believe that young people are important and our investment in them is our greatest insurance for the future.
6. We believe that all individuals have value and can learn.
7. We believe that high expectations are necessary for all individuals to reach their maximum potential.
